In September, a projected 100 fire investigators from Oregon, Washington, Idaho, and California will be convening at our 44<sup>th</sup> Annual Training Seminar on September 18-21, 2023, in Newport, Oregon. Twenty-four (24) hours of fire investigation training and education will be delivered over four days to our seminar attendees. It would be a distinct honor and privilege if you would consider being a part of our event. We offer a variety of sponsorship options to promote your company at the financial and time-commitment that you are comfortable with as a supporter of the education we are bringing to Fire Investigators in the Pacific NW. To be respectful of our sponsors time, we have designed opportunities that allow sponsors to engage with attendees at the Wednesday Awards Luncheon and Wednesday Reception.

The Oregon Chapter 31-IAAI provides current, up-to-date training and education to individuals in the fire investigation industry. Your contribution will have a significant impact on the success of our 2023 seminar. Thank you for your consideration in supporting the mission statement of the Oregon Chapter IAAI.

Sincerely,

*Rich Stenhouse*
